

Dr. Ritu Rani holds a rich and diverse educational background including B.Sc. (Medical), M.A. (English), B.Ed., M.Ed. (Gold Medalist), M.Phil. (Education) Gold Medalist, and Ph.D. in Education. Her areas of specialization encompass Methods of Data Analysis in Education; Research in Education; Pedagogy, Andragogy & Assessment; Educational Management, Administration & Leadership, Educational Studies; Teaching & Learning; Academic & Professional Writing Skills etc. Throughout her academic journey, she has received several accolades, including a place in the merit list of Kurukshetra University for B.Sc. (Medical), and Gold Medals in both M.Ed. and M.Phil. (Education) from Maharshi Dayanand University, Rohtak. She has accumulated 11 years of experience as a teacher.

Dr. Rani has an extensive publication record, with over 25 research papers published in various indexed and peer-reviewed national and international journals. Her research contributions cover a wide array of topics such as teacher effectiveness, mental health, personal growth initiative, self-efficacy, occupational stress, and e-learning. Additionally, she has contributed chapters to edited books focusing on digital pedagogy, mental health, and educational innovation. Her research has not only been published but also presented at numerous national and international seminars and conferences where she has actively engaged in academic discourse through paper presentations. She has guided more than 50 students for their MA (Education) Dissertation and Field Work.

In the domain of professional development, Dr. Rani has participated in several Faculty Development Programmes (FDPs), Professional Development Programmes (PDPs), and workshops, focusing on contemporary themes such as NEP 2020, SPSS, research methodology, ICT in education, and emergency remote teaching. Her continuous engagement in capacity building reflects her commitment to lifelong learning and academic excellence.

Dr. Rani has held various academic and administrative positions at Chaudhary Ranbir Singh University (CRSU), Jind. She has served as the Incharge of the Department of Education across multiple academic sessions, Co-Director and Organising Secretary for national workshops and training programmes, and Convener or Member of numerous university-level committees. Her contributions span organizing events, managing academic boards and meetings, overseeing hostel administration, and actively participating in university cultural and academic initiatives. She has also served as a judge in various student competitions and acted as a resource person and session chair in seminars and conferences.

Moreover, Dr. Rani has delivered invited talks and extension lectures on themes like research errors and the importance of attitude in life. Her leadership, scholarly contributions, and administrative capabilities position her as a well-rounded educator and researcher deeply invested in advancing the field of education.
